

DYI Charcoal Filter Parts

Home Depot or Lowe's

1 each 24 inches of 2 inch schedule 40 PVC pipe

2 each 2 inch coupling -- using pvc cement coupling to each end of the pipe

1 each 2 inch rubber coupling

2 each 2 inch by $\frac{3}{4}$ reducer (the $\frac{3}{4}$ needs to be threaded – cement one inside the couplings above).

2 each $\frac{3}{4}$ inch coupling - thread male on one end and slip female on the other

1 each $\frac{3}{4}$ inch coupling for Hose to PVC. The female side of the coupling threads to a end of a hose. The male end is threaded and threads into the 2 inch by $\frac{3}{4}$ reducer.

1 each $\frac{3}{4}$ coupling female slip on one end and male threaded for attaching to a hose.

Petsmart

I box of activated charcoal

2 each Agua Pure 4 inch by 12 inch filter media bags
